

## DOCTORS' MEETING.

Belmont County Physicians in Session over at Bridgeport.

## THE TIMELY TOPICS DISCUSSED

And the Business Transacted—More Frequent Meetings to be Held in the Future—A Proposed Law Objected to—Inaugural Address of President-elect Hewetson.

An interesting meeting of the Belmont county medical society was held yesterday afternoon at the Y. M. C. A. hall in Bridgeport. Owing to the absence of Dr. B. O. Williams, of Martin's Ferry, the retiring president, the meeting was called to order by the newly elected president, Dr. A. H. Hewetson, of St. Clairsville, in an eloquent inaugural address. He thanked the fraternity for the honor conferred upon him, and addressed himself to the subject, "The benefit of organization and the duty of the profession of our county, to sustain and advance the interest of the Belmont county medical society."

The doctor showed how close union of the medical fraternity would be for the mutual benefit of the members. He also dwelt on the necessity for reforms in the medical jurisprudence. He referred to the beneficial results of frequent intercourse and consultation, to prevent unfriendly feelings from arising. He closed by saying: "The greatest good we can do to our reputations in this profession is to do the greatest good for our patients."

Dr. William Estep, of Lloydsville, was announced to read a paper upon "Lacerations of Perineum," but was unavoidably detained. Dr. D. W. Long, of Bellaire, read an interesting essay upon "Therapeutics and Materia Medica," showing the value of drugs recently introduced and their uses by improved methods.

This was followed by a very interesting discussion in which all present participated, and many novel ideas and experiences in the use of new drugs were brought out by different members of the society.

The society decided to make the next meeting place at Bellaire, and to meet once a month instead of every three months, and to make the meetings of more practical use to members, by discussions of diseases and their treatment, and not to devote too much time to didactic papers.

Dr. Cooke, of Bridgeport, introduced a resolution to protest against the adoption of a recent bill introduced in the Ohio legislature in regard to the appointment of a state medical board of seven members, on account of its unfair representation of the different branches of the profession and the charge of \$5 for each successful practitioner and an affidavit as to their diploma; also the charge of \$20 for the examination of each graduated medical student.

The doctor protested vigorously against these charges and the paying of big salaries to this board, which is to be the superior governing body of all the physicians in the state.

Three delegates were appointed to the American Medical Association's meeting in Detroit, and three to attend the state convention to be held in Cincinnati in June. Those present were Dr. A. H. Hewetson, president, of St. Clairsville; Dr. Hobson, of Flushing; Dr. Colville, of Harrisville; Dr. J. H. Cooke, of Bridgeport; Dr. J. P. West, of Bellaire; Dr. Thompson, of Lloydsville; Dr. McClellan, of Bellaire; Dr. C. E. Kurz, of Bellaire; Dr. D. W. Long, of Bellaire; Dr. S. L. West, of St. Clairsville, and Dr. Cooper, secretary, of Bellaire.

## THOUGHTLESSLY DONE.

One of the Polling Places Located in a Church, Whose People Object.

To the Editor of the Intelligencer.

Sir:—Allow me space in your valuable paper to call the attention of the county commissioners to the mistake made by them, in designating Simpson M. E. church as a polling place. If there is any spot on earth which we regard with a reverence akin to superstition it is the church of God. However insignificant our claim to religious consideration may appear to the average county official, it nevertheless holds a large share of our affection. We are, therefore, swift to resent any apparent want of respect toward our church. The colored people of Wheeling, to a man, will oppose this attempt of the county commissioners to surround their place of worship with the odium of politics. Simpson church is a place of religious worship, dedicated to God, and as such, is not at the service of the county commissioners for any such unholy purpose. Why not use the school house, as the new law makes special mention of school houses? Or, if the commissioners have set their hearts on a church, there are other churches within a stone's throw of the place named by them. Of all the churches in this city, it is not strange that Simpson church should be the only one to be polluted with politics? D. D.

Last Excursion to Washington via Baltimore and Ohio Railroad.

On Thursday, March 10th, the B. & O. R. R. will run the last of the series of excursions to Washington which have become so popular during the winter. This excursion will in no wise differ from those which have preceded, and which have given entire satisfaction to the hundreds who have enjoyed them. There will be the same low rate and the same unexcelled train service of passenger coaches and Pullman Parlor or Sleeping Cars heretofore provided.

Washington is more attractive in March, if possible, than during any other month of the year. It is then that the first signs of spring appear in the public squares and parks. Congress is in session. The public buildings, the art galleries and the museums are open to visitors free of charge.

Tickets from Pittsburgh, Wheeling and intermediate points to Martinsburg are valid to Baltimore, and as they are good for ten days ample time is afforded for side trips to Mt. Vernon, Old Point Comfort and other adjacent points. Tickets valid on all trains, whether limited, express or local, going and returning.

Trains leave Wheeling at 6:10 a. m. and 4:10 p. m., and for these two trains only will tickets be sold. Pullman sleeping cars on evening train. Round trip rate \$10.00. Correspondingly low rates from other stations. M. W.

## BELLAIRE.

All Sorts of Local News and Gossip from the Glass City.

Officers John Strobel captured a slick thief yesterday afternoon and he is now in the lockup awaiting the arrival of a drover named Newton Brown, who lives out the R. Z. & C. road. It was first thought to be a case of bunco, but it seems not even to have that shadow of chance about it. The thief, who gives his name as Morton, asked Brown to change \$20 for him, and the drover pulled out a roll of money and began to unroll it. Just as he got \$30 off the roll Morton grabbed it and ran and nothing more was seen of him until Officer Strobel dropped onto him as he went into a restaurant near the ferry landing for a sandwich. Drove Brown went home after the loss, but will be here this morning.

Down at Powhatan they are involved in quite a muddle over the school directors allowing a singing school teacher to use the school house for his class. A brother of one of the directors is opposed to such use of it, and by having a key made to fit the lock succeeded in barring out the singing school. A suit of replevin has been brought against him to secure the key and is to be tried before a Powhatan squire.

Theodore Brown, an old chicken thief, who has been frequently caught but always got off lightly, broke a lock at a henhouse near Barnesville while making his last raid, and although he only got six chickens, the breaking of the lock made his offense burglary, and he pleaded guilty. Judge Driggs sentenced him to six years in the penitentiary.

The stockholders of the Union Window Glass Company will meet next week to decide whether they will rebuild or quit business. Opinion among those who own the works is divided as to what is best to do. To wind up will give each shareholder from \$55 to \$75 on each \$100 invested, as they lost on the stock by the fire.

The Republican city convention will be held in the city hall next Saturday evening. It is easy to guess all of the ticket except the candidate for marshal, and this harmony of feeling is galling to some of the claps who would enjoy a bitter contest.

The Democratic city primaries will be held next Saturday evening between the hours of 5 and 7 o'clock, sun time. The wards are entitled to delegates as follows: First, 3; Second, 5; Third, 4; Fourth, precinct A, 3; precinct B, 2; Fifth, 4.

The wharf is badly in need of repair. Besides the hills and hollows, that annoy teams and cause profanity on the part of their drivers, there are one or two places where the boulders have come out entirely.

The neighborhood of the wharfbank was made lively yesterday morning by the presence of three packets at once. At 8 a. m. the Bedford left for Pittsburgh, and at 9 a. m. the Hudson passed up for Pittsburgh and the Keystone State down for Cincinnati. The Courier got away for Parkersburg at 11:30 a. m.

## BACK AND SIDEACHE.

Just What to Do to Cure Them.

The most annoying pain is backache. The next most uncomfortable condition is sideache. Nothing makes a person feel so weak, nervous, miserable and dragged out as a more or less constant weakness of pain in the back or side. And it is entirely unnecessary to suffer from it, too, for Dr. Greene's Nerve, which you can get at drug stores, \$1.00, will cure it, perfectly and completely. This remarkable nerve medicine and sure reliever of pain is purely vegetable and harmless, and it is absurd for people to suffer from headache, neuralgia, pain in back, side, limbs, malaria, &c., when a cure is certain by using this great discovery for the nerves. Dr. Greene's Nerve is the best spring medicine, and should be used now, as all these troubles are worse from Spring debility.

OH! MY BACK!

"I have been under the care of many doctors for neuralgia and rheumatism, which I had terribly in my back and side. So badly did I suffer that I was unable to attend to my business for three years, before I came across the right remedy to cure me. The remedy is Dr. Greene's Nerve, and I have been perfectly and completely cured by this wonderful medicine."

JAMES DOWN, 27 Market street, New York City.

Dr. Greene, the successful specialist in curing all forms of nervous and chronic diseases, 25 W. 14th street, New York, can be consulted free, personally, or by letter. Call or write to him about your case, or send for symptom blank to fill out, and a letter fully explaining your disease, giving advice, etc., will be returned free.
